SUBJECT

Request for Field Reassignment Questionnaires from Key and Senior Officers

ACTION REQUIRED - REFERENCES

1. It is my desire to be as well informed as possible when I consider recommendations for key and senior assignments for 1974. Specifically, I wish to have a current Field Reassignment Questionnaire from all Chiefs and Deputy Chiefs of Station, Chiefs of Base and other officers (GS-15 and above) in key positions who have completed one or more tours or who will have been overseas for at least one year as of the end of 1973.

2. The FRQs requested should be prepared and dispatched to reach headquarters by 15 October, or the accuracy of recently submitted FRQs from these officers confirmed by that date. If circumstances require, the information may be transmitted by other official means of communication.

3. This practice will continue to be applicable in future annual key and senior personnel assignments review. After this year, FRQs on these officers should be available in headquarters by 15 September.
